

JERVIS Bay

Sunday 11th August 2024

Discover the beauty of Jervis Bay with our private tour designed exclusively for ELC Junior Program students. Picture yourself walking along pristine white sand beaches, a defining feature of this coastal haven.

Embark on a dolphin-watching cruise, offering more than just glimpses of dolphins. Keep an eye out for whales, seals, and penguins, creating unforgettable moments at sea. Visit the Kiama Blowhole, a natural spectacle showcasing the power of the ocean as seawater propels through it.

Stop at coastal lookouts and enjoy panoramic views of the stunning landscape. Led by an experienced eco-accredited tour guide and an ELC leader, gain insights into the local ecosystem while enjoying an educational adventure.

Jervis Bay offers a practical blend of natural beauty and wildlife encounters, making this private tour a unique experience for ELC Junior Program students. Join us for an exploration that combines the wonders of nature with an educational twist.
