WEEKLY LESSONS IN SYDNEY

2 x 2-HOUR LESSONS PER WEEK
FOR 4 WEEKS

Surfing in small groups (max. 6), will ensure you get all the support and feedback you need from your expert instructors at **Let's Go Surfing**. These lessons will take place on week days either before or after school and you will make your own way to either Maroubra or Bondi beach by bus (a 40-50 minute commute time from school). Equipment and expert instruction are included.

Choose between Maroubra and Bondi:

BONDI BEACH

Opt for your weekly lessons to take place at Bondi beach, Sydney's iconic crescent of golden sand. Bondi is very popular and lessons there are in high demand, incurring a higher price, but Bondi is sure to seduce with its great Australian surf culture

MAROUBRA BEACH

Opt for your weekly lessons to take place at Maroubra beach: less well-known, Maroubra is a cheaper option but still a great choice for surfers of all abilities. With its exposed beach and reef breaks, the beach provides a variety of challenges for both beginners and experienced surfers.

SURF DAY TRIP

Your package will include a full day excursion with **Waves Surf School** on a weekend. The day trip is run at Boat Harbour Park - a private access beach, where the waves are crowd free, ensuring more safety in the water than the more crowded Sydney Beaches. Transport from the city, equipment, surf lessons and lunch are included.

FULL WEEKEND SURF CAMP

Our partners at **Surf Camp Australia** will pick you up from the city on Friday afternoon and take you to their exclusive, purpose-built Surf Camp in Gerroa (on the coast south of Sydney) for an unforgettable weekend. This weekend is the perfect getaway to improve your surfing skills and make lifelong memories.

The weekend includes return transport to the camp, 2 nights' accommodation, 3 x 2-hour surf lessons, all meals, daily photo analysis of the lessons as well as free photos of your weekend. The dorm accommodation is only a short walk to the beach and a local bar. Other facilities include a swimming pool, hot showers, hammocks, internet and cafe. Upgrades to private, twin & family rooms might be possible at extra fees but require early bookings.
