Accommodation & AIRPORT TRANSFERS

Package D

Airport transfer both ways

Arrival

Upon arrival at Sydney airport, our driver will pick you up and take you to your homestay, making sure you meet your host.

Departure

On return, our driver will pick you up from your homestay, drive you to the airport and drop you off at the departure terminal express drop off bay, just outside your airline counters.

Homestay

Experience the joy of cultural exchange and genuine hospitality, and improve your English by speaking with your host family every day.

Fantastic families

Families are carefully selected for their warmth and genuine interest in the student's wellbeing.

Quality standards

We have a dedicated Homestay Coordinator who ensures that our students are always well looked after. We regularly inspect homes to ensure that the high standards are maintained. We actively collect feedback from all students about their stay with their host family to ensure that they feel comfortable and welcome.

Location

All homes are located close to public transport and usually 35 to 60 minutes' travel time to the college.

Facilities

The student's bedroom will be furnished with a single or double bed, a wardrobe, a dressing table or chest of drawers, adequate lighting and a desk. If there is no desk in the bedroom students will have a space elsewhere in the house where they can study comfortably.

Internet

Internet access will be made available to students at the homestay but usually at extra cost. All students will have free unlimited internet access from our computer lab and WiFi service at school.

Other students

Most host families only accommodate one student but some families welcome 2 or more international students. When that's the case, we will make sure that there are no other students of the same nationality / mother tongue in the household.

Laundry

Bed linen and towels are provided and washed by the host family. The student's clothes will be washed together with the family wash.

Guardianship SERVICE

Local caregiver, all-round care

Students on our Globetrotter program will be well-looked after all along their stay:

In addition to the care and support from the ELC team of teachers and from Student Services staff at school, as well as the care and guidance from their homestay family, each student on the Globetrotter program will be assigned a dedicated guardian for the duration of their enrolment

In case of illness, personal issues or emergency, this appointed caregiver will be able to step in and assist 24/7.

This service offers an extra layer of reassurance and comfort for both parents and students and is included for all students taking part in our Globetrotter program, covering them from the moment they arrive to the moment they depart.

Getting to school

Every day transport

- › Sydney's transport system is easy, safe and reliable.
- › Total travel time from homestay is 35-60min door-to-door
- › Transportation may be train or bus
- › Host families will help with:
 - How to purchase and use a transport card (at own cost)
